FOR BUSINESS OWNERS WHO ASKED FOR THE DETAILS

A ₦10 million build for your business, completely FREE of charge.

We build the software your business needs, set it up and train your team, at no cost to you. You only pay a monthly fee to keep it running and to bring customers to you online.

What the free build includes FREE

1 Custom software built for your business

Made for the way your kind of business works:

- **Bakeries:** an order desk to take and manage orders
- **Interiors and furniture:** a catalogue and order tracker
- **Supermarkets and shops:** an ordering site
- **Property firms:** a property desk for your listings

2 Your domain and hosting

Your own web address, and a place online where your software lives.

3 Full setup

We load in your products and your branding, so it is ready to use.

4 Hands-on staff training

We show your team how to use it, step by step, until they are comfortable.

What the monthly fee covers MONTHLY

₦300,000
per month

Ongoing maintenance

Updates, fixes and keeping your software running.

Meta-ads digital marketing

Facebook and Instagram ads to bring customers to you online.

No lock-in: you can cancel with 30 days' notice.

How it works

STEP 1
A quick chat
A 15-minute WhatsApp video call to understand your business.

STEP 2
We build and set up
We build your software and set it up with your products and branding.

STEP 3
You go live
You start taking customers, and we keep marketing and maintaining it.

WORK WE'VE DONE

We built Dalema for a shop in Abuja and Lagos, and Hungry Nomad, which takes 50–100 orders a week.
